New York Blood Center
Clinical Apheresis and Cellular Therapy Laboratory, New York, New York
310 East 67th Street
New York, New York 10065

Dear Dr. Shi,

The New York Blood Center Clinical Apheresis and Cellular Therapy Laboratory, New York, New York, located in New York, New York is currently accredited by the Foundation for the Accreditation of Cellular Therapy (FACT). Due to pandemic-related delays outside of the organization’s control, the accreditation renewal process has not been completed. The organization is in good standing and is in the process of renewing its FACT accreditation for:

- Peripheral blood cellular therapy product collection
- Cellular therapy product processing with minimal and more than minimal manipulation

This organization’s current accreditation has been extended to February 21, 2025. FACT-accredited organizations are listed on the FACT website at <https://accredited.factglobal.org/>.

Thank you for your participation in FACT accreditation and your commitment to providing quality care and laboratory services in cellular therapy. Please contact us at any time if there are questions or concerns, or if you need additional information or assistance.

Sincerely,

Phyllis I. Warkentin MD
